

A ONE-STOP EDUCATION & LEARNING HUB

Offering K12, Enrichment and Professional Development Programmes for Lifelong Learners

▶ ABOUT SCIA

SCIA
Singapore (Cambodia)
International Academy

**Learning
Gateway**

At SCIA, we are committed to providing a holistic education for lifelong learners.

In addition to offering the unique blend of Cambridge and Singapore curricula for 2 – 18 years old, we also offer a wide variety of activities and programmes, from performing arts to STEM, sports to clubs and societies, through our enrichment hub – Play Network.

Our Education and Career Guidance (ECG) team offers a range of services such as counselling, coaching, leadership programmes and guidance to help our students make informed and higher education decisions.

At Learning Gateway, we offer training programmes in the areas of leadership, management, and essential soft skills to help individuals achieve both their learning and professional goals.

Whether you are a student, a working professional, or an enterprise looking to stay relevant and ahead of the game for the future, SCIA has something to offer.

Join us now and embark on a transformative learning journey!

Enrichment Programmes

Enrichment Programmes

SCIA Enrichment Hub is specially designed to complement students' academic curriculum and reinforce their holistic development. We aim to make learning visible through a variety of programmes ranging from Performing Arts, Sports, STEM, Clubs and Society.

Programmes Offered:

Education & Career Guidance

International Learning Journey

International Learning trips offer students the opportunity to be a globalised leader by:

- Immersing in new cultures and learn from different perspectives
- Appreciating diversity and develop cross-cultural communication skills
- Expanding professional network & valuable relationships

Individual Coaching

Students will be able to make informed decisions about their education & career path by exploring their interests, strengths and skills through profiling tools and resources. They will be guided to develop individualised plans in achieving their goals.

Professional Development

Open Enrolment Courses (Individual)

We provide executive training and professional development programmes designed to enhance your skills in areas including leadership, marketing, business development, communication, management and project management.

Enterprise Solutions

Using innovative learning techniques, we help to design customised solutions for all leadership levels of your organisation, including C-suite level.

Conferences

Our conferences are designed specifically for professionals who are looking to stay ahead of the curve in an ever-changing and competitive landscape. We bring together industry leaders, subject matter experts, and thought leaders to share their insights and expertise. In addition to our informative sessions, our conference also provides ample opportunities for networking and collaboration with other professionals.
